Iranian Research & Technology Week  
IRAN-ITALY COOPERATION PANEL

December 17, 2020

11.30-14.00 (CET)

14.00-16.30 (IRST)

online event

The panel is jointly organized by [Iran-Italy Academic Cooperation \(IIAC\) Leading House](#) based in Iranian Ministry of Science, Research and Technology (MSRT) and [Italy's SPICI srl – Company for Innovation, Cooperation and Internationalization](#). It aims to promote the science and technology cooperation between Iran & Italy. The program will start with introducing the Iranian Research & Technology Week showcasing some new technological achievements in Iranian institutions. Then, there would be lectures from each side. Several Iranian universities, research centers and S&T parks are members of the IIAC Leading House and the aim is to expand it with the Italian representatives of the innovation ecosystem.
